

A HUMAN RIGHTS-BASED RESPONSE TO TB

A Legal Workshop

31 October 2019

Trident Hotel
Hyderabad, India

OBJECTIVES

To advance understanding and activation of a human rights-based response to TB at regional, national and community levels. To this end, the Workshop will:

1. **Strengthen capacity and build expertise among lawyers, TB community leaders and activists on a human rights-based response**, so they may demand and support implementation of the approach on the global stage and in their countries and communities;
2. **Develop for targeted advocacy a Policy Paper with action guidance to TB policymakers and program implementers** on why and how to implement a human rights-based response at global, national and community levels.
