

CALL FOR NOMINATIONS

2020 Stop TB Partnership Civil Society & Affected Community Award

4 November 2020

Stop TB Partnership is the leading technical agency supporting the meaningful engagement of TB affected communities and civil society in all aspects of the TB response. Each year Stop TB recognizes significant contributions from TB affected communities and civil society to the TB response.

Over the last three years this recognition has been for community mobilization for human rights, community led monitoring and grass roots peer support.

This year the focus is '*Overcoming the Obstacles of the COVID Pandemic to Champion TB at Global or National Level*'. The successful nominee/s, chosen by a selection panel, will have demonstrated innovation and commitment in overcoming the complex TB work environments posed by COVID19.

We are calling on TB civil society, TB affected communities and other stakeholders to nominate an organization, network or coalition, particularly from among TB affected populations who have excelled, championed TB and/or worked to maintain TB services in spite of the COVID 19 pandemic. ,

Please send a 1 A4 page (maximum) nomination for your global or national level TB champion You can find details of what to include in your nomination below.

Please send complete nominations to CRG@stoptb.org by midnight (Geneva time)**14 November 2020** Incomplete nominations, or nominations received after this date will not be considered.
