Stop TB Pakistan (STP) (National Partnership) has opened its new Head Office/ Secretariat at Kavish Crown Plaza, Main Shakra-e-Faisal, Karachi. The official opening of the new office was performed by Prof. Masood Hameed Khan (Chairman, STP) by cutting the ribbon at the door of the office and attended by the members of the coordinating board of STP. Talking on the occasion the chairman said that this is a landmark day for the national partnership and that he is very hopeful with the progress made by the national partnership over the years will surely help achieve its core objective of Ending TB in Pakistan in coordination with its partners.

Prof. Masood Hameed Khan thanked Mr. Muhammad Shabbir (Businessman) Chief Patron, STP who have sponsored the new office space. Prof. Masood Hameed Khan, (Chairman, STP) has personally provided funds for purchase of office equipment and furniture & fixtures.

The previous furnished office was provided by a partner Dow University of Health Sciences, at Ojha Campus. The Management of STP is thankful for the kind support provided by Dow University.

The new office is located at Kavish Crown Plaza, a prominent building situated at main Shakra-e-Faisal, linked with other main roads, easily accessible from any corner of the city.
