

INTERNATIONAL COURSE IN BUDGETING AND FINANCE FOR TB CONTROL

Bangkok, Thailand: 5-17 September 2005

Official language: English

Deadline for application: 5 August 2005

Course description: This 13-day intensive programme is specially designed for financial and senior managers working at the national level in tuberculosis control programmes. Participants will be provided with knowledge on budget planning, financial management and reporting as applicable to their work.

Sessions will consist of lectures, exercises and discussions. They will aim to strengthen capacity in budgeting; financial planning, management and monitoring; budget administration; costing; disbursements; audits and financial reporting systems.

Payment:

For sponsored candidates, The Union will fund return international air travel, accommodation and meals in Bangkok during the course. A nominal allowance will also be paid to cover incidental expenses.

Self-funded participants need to obtain funding for: tuition fees, boarding and meals (USD 1,680); travel (as per actuals) and incidental expenses (approx. USD 5 to 10/person/day).

Application forms may be obtained from:

The Union, (TB courses), 68 boulevard Saint-Michel, 75006 Paris, FRANCE
