**REACH THE
3 MILLION.**

THE GLOBAL FUND TO FIGHT AIDS, TUBERCULOSIS & MALARIA

The **Stop TB Partnership** invests significant efforts in working with the largest international donor for TB -

The **Global Fund to Fight AIDS, TB and Malaria** provides **80%** of the external funding for TB in **140 countries** for a total of almost **US\$ 5 billion**

The **Stop TB Partnership** supports the Global Fund to...

...be more **efficient** in its investments

...ensure the **voice of TB affected people** and community at large **is heard**

...provide concrete **innovative solutions** for **increasing case finding** in vulnerable groups through TB REACH

...advocate for **full funding**

...increase **sustainability of TB investments** and **domestic financing**

The **Stop TB Partnership**...

...supports countries to have a **robust country dialogue** and **concept notes** to **increase their quality** and therefore their chance of receiving funds

The **Stop TB Partnership** is an **active partner** in

strategic investments

policies

of the Global Fund

Supporting the Global Fund means **supporting the main force for defeating the TB pandemic**
