

EVERY YEAR
9 MILLION PEOPLE
GET SICK WITH TB.

3 MILLION DON'T GET
THE CARE THEY NEED.
HELP US TO REACH THEM.

A large, stylized logo for Tuberculosis (TB) rendered in a vibrant red color. The letters 'T' and 'B' are thick and have a textured, hand-painted appearance with some fraying at the edges. The 'T' is on the left and the 'B' is on the right, both slightly overlapping.
