

The STOP TB DAY in Paris

**Mark the Day in Your Calendar:
17th November 2023**

The Stop TB Partnership is organizing and co-hosting a series of side meetings around the conference on the 17th of November 2023 at the **L'Hôtel du Collectionneur, in Paris.**

Re-imagining TB Care Collaborators Group Workshop

08.30 – 12.30 CET
(Lunch Included)

[Click here for registration](#)

An interactive and immersive workshop on how to apply a people-centered design process for the optimal, rapid, and sustainable roll-out of TB innovations.

**Deadline:
Nov.6th**

Launch of Tools to Support Progress on UNHLM Commitments

12.30 – 17.00 CET
(Lunch Included)

[Click here for registration](#)

Discussion on the next steps after the UNHLM political declaration on TB and the country shares of UNHLM global targets followed by the release of findings from an assessment of CCMs, the launch of a new tool to estimate the size of TB-related KVPs and the launch of a Legal Score Card.

**Deadline:
Nov.6th**

Announcement of the Wave 11 Funding opportunity by TB REACH

18:00 – 20:30 CET
(Includes a reception – food & drinks)

Join us to learn more about TB REACH Wave 11, including the theme, application instructions, eligibility criteria, and updates on ongoing projects. Get your questions answered and find more details on the Stop TB website after the event.
