

Supplier: Cepheid HBDC

Subject: Discontinuation of **bundled packages** of Xpert MTB/XDR cartridges and GeneXpert IV-4 10-color systems (laptop or desktop)

Context:

In 2023, Cepheid launched two (2) bundled packages of Xpert MTB/XDR cartridges and GeneXpert IV-4 10-color systems (one for laptop and one for desktop) as follows: GX IV-4 10C + 50 Xpert MTB/XDR cartridges for US \$17,500 (laptop and desktop).

Cepheid has informed GDF that these bundled packages validity is December 31, 2024.

Deadline:

Cepheid will no longer accept new orders for these bundled packages after December 31, 2024.

Information for clients:

- Quotes for these bundled packages must be paid for/confirmed by December 20, 2024, to still benefit from the bundled packages price.
- After December 20, 2024, GDF will advise clients to procure the existing Xpert MTB/XDR cartridges, and IV-4 10-color systems (laptop or desktop) separately.
- GDF will remove these bundled packages from its [Diagnostic Ordering List](#) by January 1, 2025.

Contact Information: For additional or more detailed information, or, if you need support with order planning, please contact the GDF Country Supply Officer for your Country, or email gdf@stoptb.org
