TB Case Notification

Domestic Funding

Key Asks and Way Forward

Strengthen Community and Civil Society Engagement

- Build capacity for meaningful participation in the Joint Programme Review Mission (JPRM), Provincial and National Strategic Plan (PSP/NSP) development, and Global Fund Cycle 8 (GC8) proposal writing

Support National and Provincial TB Programs

- Provide technical assistance during JPRM and GC8 planning and proposal writing to ensure alignment with key priorities

Advocate for Increased Domestic Funding

- Foster advocacy at national and provincial, and district levels to secure enhanced and sustainable domestic funding for TB program

Host High-Impact Events in 2025

- Organize a **TB Champions Summit** and a **Regional Dialogue** in Pakistan to foster collaboration, share innovations, and amplify voices to end TB

Sustain Support to the Stop TB Partnership Country Platform

- Enhanced and sustained support to the Stop TB Partnership Country Platform

Message by Coordinator to Prime Minister on Health

Together we can
End TB

Thankyou !
