Commitment to an Inclusive and Effective Global TB Response

11. Expand Anti-discrimination Efforts in the TB Response:

- CFCS supported 21 countries in assessing TB stigma and developing action plans, enabling informed, targeted efforts to eliminate stigma and ensure equitable TB prevention, diagnosis, and treatment access.
- CFCS helped 9 more countries conduct TB Community, Rights, and Gender (CRG) Assessments, totalling 40 countries, fostering systematic approaches to identifying and removing TB care barriers for more inclusive responses.
- CFCS aided 15 countries in using the Key and Vulnerable Size Estimation Tool to identify high-risk populations and improve targeted interventions for equitable TB services.
- CFCS supported 3 countries in testing the Legal Environment and Human Rights Scorecard and 16 others in enhancing legal frameworks to promote equitable and effective TB responses.
- CFCS awarded 114 grants across 28 countries to advance rights-based, stigma-free, and equitable TB care efforts.
- STP hosted its first Hackathon, leading to 30 innovative ideas to combat TB stigma, with 5 selected for potential implementation through CFCS Round 13 support.

Commitment to an Inclusive and Effective Global TB Response

12. Promote Leadership Roles of Affected Communities and Civil Society:

- Over 250,000 TB-affected individuals use OneImpact, an innovative platform empowering informed decisions and meaningful engagement in TB responses.
- Communities and civil society led CRG assessments and action planning in 9 additional countries.
- TB stigma assessments and action planning were community-led in 21 countries, engaging over 50,000 TB-affected individuals.
- Legal Environment and Human Rights Scorecards were implemented in 19 countries, led by communities and civil society.
- Communities and civil society implemented the Key and Vulnerable Size Estimation Tool in 15 countries.

Points for the Board's consideration

1) Continue DEI prioritization by the Board

- ✓ DEI as one of the key enablers in the next operational strategy
- ✓ Implement Board commitments in fulfilling its aspiration on diversity, equity and inclusion

2) Allocate sufficient resources to:

- ✓ Continue full implementation of the Board Action Plan;
- ✓ Secretariat-specific actions to strengthen diversity and equity in staffing, people management, as well as safe and inclusive working environment.
