Excellent 2030 Projects

In keeping with the conference theme, the 8th SA TB conference will focus on innovations that will move South Africa further towards ending TB. Look out for exciting plenary presentations, Round Table discussions and Skills Building Workshops.

Be part of the conference and submit your abstract early! Your abstract submission ahead of schedule will make a significant impact.

We encourage recent PhD graduates and Postdoctoral fellows to submit abstracts to showcase their work in dedicated PHD/Postdoc sessions.
