QuantumDx Group
United Kingdom

Shaheed Omar
NICD
South Africa

Mark Perkins
FIND
Switzerland

Tim Peto
University of Oxford
United Kingdom

James Posey
CDC
United States

Leen Rigouts
ITM, Antwerp
Belgium

Tim Ryan
Epigem Ltd
United Kingdom

Marco Schito
NIAID / NIH
United States

Robert Shafer
Stanford University
United States

Geoff Smith
Illumina
United Kingdom

Angela Starks
CDC
United States

Lynsey Stewart-Isherwood
University of Witwatersrand
South Africa

Neil Stoker
Royal Veterinary College
United Kingdom

Philip Supply
Institut de Biologie de Lille
France

Lucy Thomas
Public Health England
United Kingdom

John Tyson
QuantumDx Group
United Kingdom

Faramarz Valafar
San Diego State University
United States

Ivo Van Walle
ECDC
Sweden

Alessandra Varga
FIND/NDWG
Switzerland

Tim Walker
University of Oxford
United Kingdom

Mark Ware
Clinton Health Access Initiative
United States

Penny Wilson
UK Technology Strategy Board
United Kingdom

Adam Witney
St Geroge's University of London
United Kingdom

Matteo Zignol
World Health Organization
